STARTER KIT PROMOTION + SPECIAL FINANCING

For new Tarana customers only, a **Starter Kit** provides the Tarana equipment to start deploying next-generation fixed wireless access (ngFWA). Each kit includes most accessories and SMS one-year access — they do not include BN coordination cables or RN PoEs.

Starter Kit	BNs Included	CPEs Included	Standard Bronze Price	Finance Price Over 24 Months
3 GHz	1	5 RNs	\$18,471.00	\$590.93/mo (\$14,182.39)
5 GHz	1	5 RNs	\$16,381.00	\$524.43/mo (\$12,586.35)
6 GHz	1	5 RNs	\$16,512.00	\$528.60/mo (\$12,686.35)

TOWER BUILDER PROMOTION + SPECIAL FINANCING

Also for new Tarana customers, a **Tower Builder** package provides what you need to start scaling and providing service quickly. Each package includes BN pole mounting kits, fiber optic cabling, surge protectors, SFP+ transceivers, RN mounting kits, and SMS one-year access — they do not include BN coordination cables or RN PoEs. Customers who purchase a starter kit are eligible to also purchase a tower builder of the same product type within 90 days.

Tower Builder	BNs Included	CPEs Included	Standard Bronze Price	Finance Price Over 24 Months
3 GHz	3	80 RNs	\$102,310.00	\$3,516.46/mo (\$84,395.05)
5 GHz	3	80 RNs	\$90,515.00	\$3,115.96/mo (\$74,783.16)
6 GHz	3	80 RNs	\$92,598.00	\$3,186.69/mo (\$76,480.62)
6 GHz	3	80 RNvs	\$77,798.00	\$2,976.63/mo (\$71,439.03)

SPECIAL FINANCING

Tarana has partnered with financing companies to provide these discounted packages leased at interest rates as low as 8%. Stretch your payments across two years, transferring CAPEX to OPEX, and allowing your company to grow with expenses aligned to your revenue.

- > Approval in as soon as 4 hours
- > Interest rates as low as 8%
- > 24 equal monthly payments
- > \$1.00 buyout at the end of the lease

Available only in the U.S. and Canada for a limited time.

Other limitations apply. **Get started by contacting**
