Smart Dimming

Set the Ambiance from Anywhere

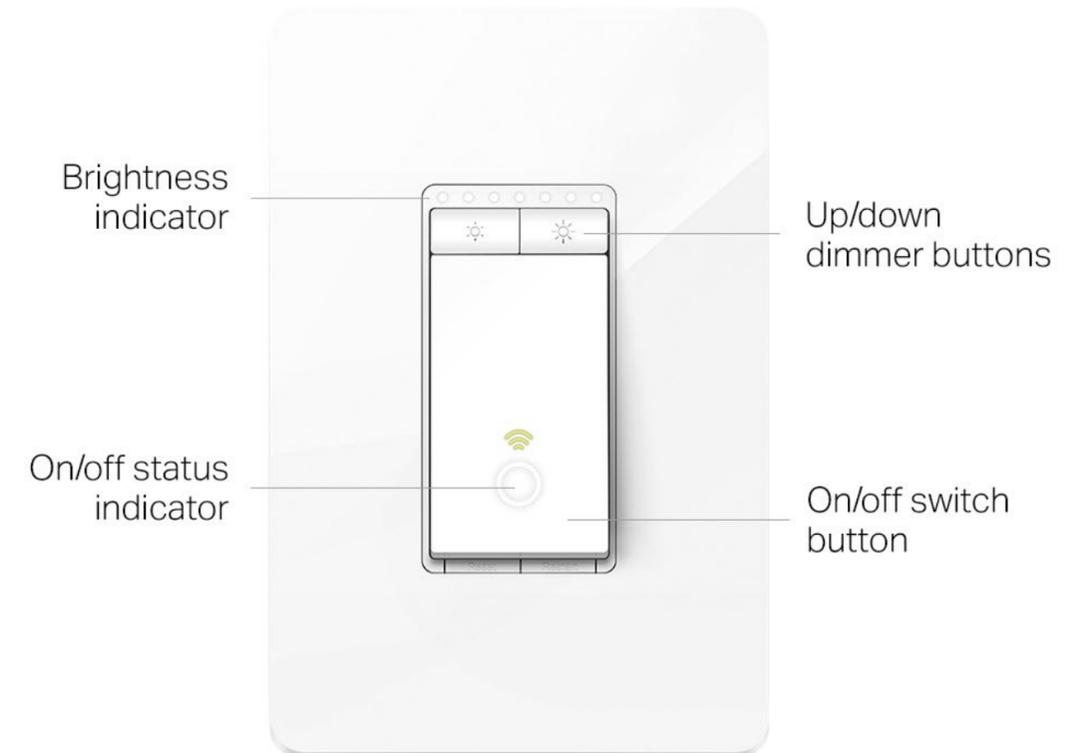

With the Smart Wi-Fi Dimmer, you can set the ambiance of the room with the simple push of a button. Tailor room lighting levels for any activity. Built-in buttons provide quick on and off switching as well as lighting level adjustments. And of course with the Kasa app, you have the freedom to easily control your lighting from wherever you are.

Phone not included;
Works with iOS and Android

Intuitive Design

Smart Wi-Fi Dimmer is easy to use. A quick tap of the switch toggles lighting to the previous level. Built-in up & down dimmer buttons and brightness level indicator let you fine tune lighting to match your mood or activity.

Better Together

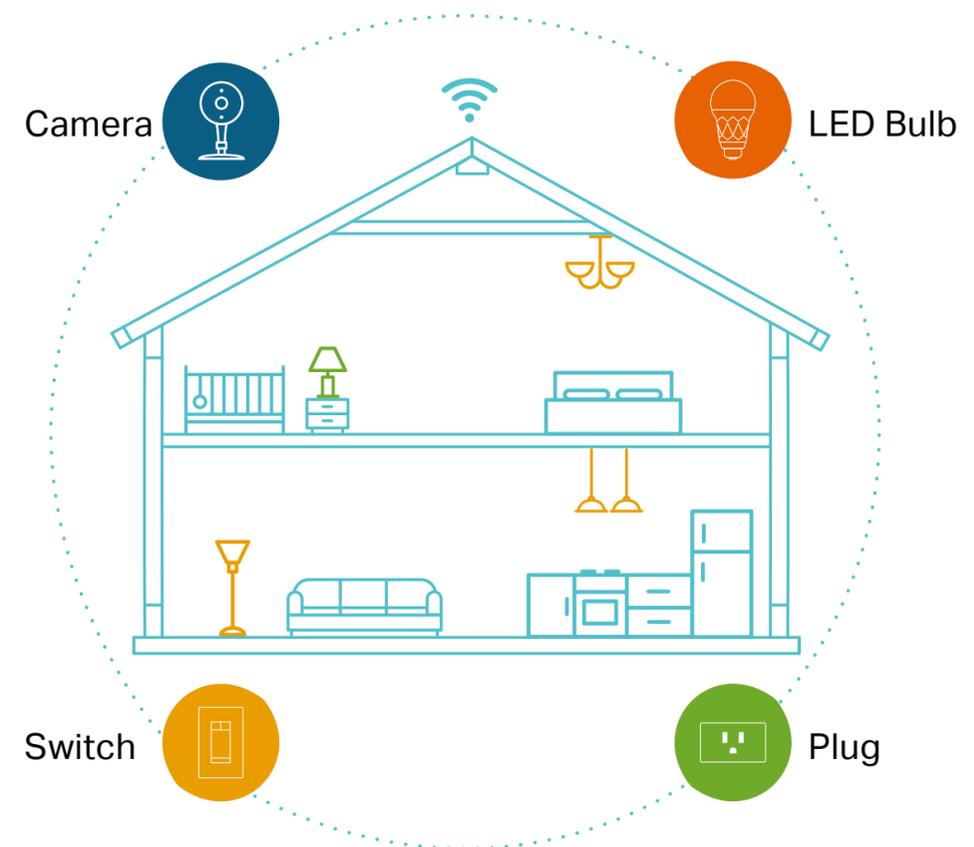

Hands-free Voice Control

Connect your Smart Wi-Fi Dimmer with Amazon Alexa or Google Home and adjust lighting levels hands free using only your voice.

Your Home. One App.

The Smart Wi-Fi Dimmer is part of the Kasa smart home family of devices including plugs, cameras, switches and more. With Kasa, your home is never more than a few taps away.

Features

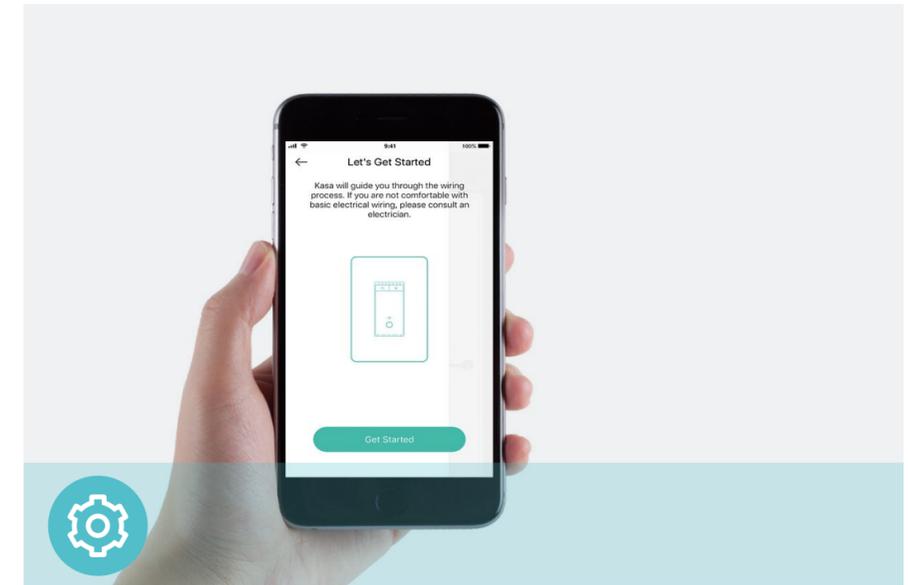

Ease to Use

- **Brightness Control** – Control the brightness of your lights to set the perfect ambiance for any activity.
