ds\specifications\catmwp1wht

**CATMWP1WHT**

**CATMWP2WHT**

## Product Description

Modular wall plates are designed to secure an assortment of different types of connectors. This allows you to customize the plate for the exact attachments you need. Choose a plate design (one or two accessory holes), choose the modular connection you need and simply snap them in place in the wall plate.

Purchase the exact modular inserts you need individually .

## Mechanical

Standard wall plate dimensions with two securing screws at typical spacing.

Choose from white or ivory color for the plates.

Accommodates our modular connectors like the CATMIFWHT (F connector), CATMI120WHT (RJ-45 ethernet connector) or any of the other similar modular inserts offered in our catalog or on our website.
